

Navigating the Home Page & Menu

Menu Band

A menu band displays on the left side of the Home Page.

Patients can access the following sections:

- <u>Dashboard</u>: The Dashboard displays a key message from the practice, the number of medications, and more.
- Medical Records: This section gives patients access to their medical records, such as visit summaries, PHR, lab/DI results, referrals, and Immunization histories.
- My Account: This section gives patients access to their account information.
- Messages: This section gives patients access to their messages.
- <u>Appointments</u>: This section enables patients to request a new appointment, to see the date and time of scheduled appointments, and to display a list of previous appointments.

Dashboard & Medical Records

The Dashboard gives patients a concise and user-friendly view of the information available in the Portal.

My Account

The *My Account* section enables patients to reset their passwords, view various logs (transmit, transactional, document access, or account access) if any, and access and/or update their personal or additional information, such as mailing/billing addresses, preferred pharmacies, emergency contact information, and more.

Personal Information

The PERSONAL INFORMATION page enables users to update their address, marital status, gender, contact details, PCP, and more:

Additional Information

The ADDITIONAL INFORMATION page enables users to update any additional information, such as pharmacy changes, addresses that may be different from mailing addresses, employer information, and any additional contact information:

Messages

Inbox

Click Inbox to display a list of messages currently in their inbox.

Press "Compose" to generate a new message to send to the provider.
